

Power Platform LaunchPad®

Power Platform

Analyze data, build solutions, and automate processes across your organization. With the Microsoft Power Platform, you'll do more than just solve problems—you'll transform your business from the ground up.

Typical Scenarios

Typical organisational adoption scenarios:

1.

You're new to the Power Platform and want to get started

Learn how to get started, choose a suitable pilot app and start your journey with Codec's expert guidance and experience to Teams & Office 365.

2.

You're using Power Platform at scale, and want to enhance governance in your organisation

Understand how to create YOUR Power Platform community, design guidelines and support citizen developers with guidance on best practices.

3.

You're using Power Platform, but want pro support with your development

Take advantage of Codec's wealth of experience to support your existing developments and take them to the next level.

Codec LaunchPad[®] For Microsoft Power Platform

Codec LaunchPad[®] for Power Platform will provide you with a blueprint for a comprehensive implementation and adoption strategy for Microsoft Teams that meets the needs of your business.

For each LaunchPad[®] customer engagement, Codec provide a team with a dedicated senior Microsoft adoption technical specialist as well as a Business Analyst. Through a detailed planning session delivered through workshops, Codec will deliver the customer with a customised plan, unique to their own environment.

Codec Power Platform LaunchPad[®]

Codec LaunchPad[®] for the Power Platform gives you the chance to take advantage of the Power Platform with a full-stack partner. Getting started on the Power Platform and not sure where to begin? Get expert help from Power Platform Consultants and Technical Business Analysts to start your journey. Already using the Power Platform?
