

Teams LaunchPad®

Microsoft Teams

Microsoft announced the retirement of Skype for Business on the 31st July 2021. Microsoft Teams is its successor.

Microsoft Teams provides a single interface for workplace collaboration and conversation. Codec are at the forefront of MS Teams adoption, and have vast experience across various Teams adoption scenarios.

Typical Scenarios

Typical organisational adoption scenarios:

1.

You're new to Office 365

Your priorities are in the migration of files and communication channels to Teams & Office 365.

2.

You're Already Using Office 365

You need full Integration and user adoption of Teams with current Office 365 Usage.

3.

You have Teams Adoption Issues

You're using Teams but you have rollout issues and/or lack of utilisation and user adoption.

Codec LaunchPad® For Microsoft Teams

Codec LaunchPad® for Teams will provide you with a blueprint for a comprehensive implementation and adoption strategy for Microsoft Teams that meets the needs of your business.

For each LaunchPad® customer engagement, Codec provide a team with a dedicated senior Microsoft adoption technical specialist as well as a Business Analyst.
